RCTQ monitors and evaluates MATATAG curriculum pilot implementation across regions

RCTQ traveled to three regions to assess the effectiveness of the pilot implementation of the MATATAG curriculum, particularly in the utilization of developed Learning

Resource Packages (LRPs) and the conduct of Learning Action Cell (LAC) or collaborative expertise sessions. [Full story](#)

RCTQ helps DepEd develop L&D policy

RCTQ is helping the Department of Education (DepEd) develop a policy that will ensure that public school teachers and staff have access to continuous learning opportunities to enhance their skills, knowledge, and competencies. [Full story](#)

Other Stories

Research team visits schools in DepEd IV-A for a study on school org structure and staffing standards

RCTQ's research team visited various schools in Region IV-A from 28 February to 23 March 2024 as part of its comprehensive data gathering

activity for a current study that will help develop a new education policy on school organizational structure and staffing standards (SOSSS) of the Department of Education (DepEd). [Full story](#)

Writeshop held to develop learning resource packages for MATATAG Curriculum

RCTQ organized a writeshop on 7-10 March 2024 aimed at developing learning resource packages (LRPs) for the pilot implementation of the MATATAG Curriculum. The event gathered educators and experts to draft LRPs for various learning areas and grade levels, providing valuable resources for teachers in MATATAG pilot implementing schools. [Full story](#)
